**CITY OF WALNUT CREEK
PARKING VALIDATION PROGRAM**

**TERMS AND CONDITIONS FOR
PARKING VALIDATION PROGRAM PRIVILEGES**

1. This is an agreement to participate in the City of Walnut Creek's Parking Validation Program, including the use of a City-owned validation scanner. By signing the Application, Business Owner agrees to abide by these Terms and Conditions.
2. Participation in the Parking Validation Program requires a current City of Walnut Creek Business License with no outstanding balances (including any fees, penalties, or charges).
3. Business Owner agrees to pay a \$75.00 refundable deposit for the use of each City-owned validation scanner. The validation scanner is the property of the City and is provided to the Business Owner for the sole purpose of the Business' participation in the Parking Validation Program. In the event the Business Owner chooses to no longer participate in the Parking Validation Program and returns the validation scanner to the City in good working order, the City will return the \$75.00 deposit to the Business Owner within thirty (30) days. A maximum of three (3) validation scanners can be issued per business establishment.
4. BUSINESS OWNER ACKNOWLEDGES THAT THE GARAGE OPERATOR AND THE CITY OF WALNUT CREEK SHALL NOT BE HELD RESPONSIBLE OR LIABLE FOR ANY LOSS OF VALIDATION OR DAMAGE TO THE VALIDATION SCANNER from Fire, Theft, Business Owner's negligence, or any other form of damage or loss occurring while the validation scanner is in the Business Owner's possession, and any such damage may result in forfeiture of the \$75.00 deposit to the City.
5. Validation is defined as the dollar value assigned to the validation scanner. Validations are not refundable and cannot be combined with other parking discounts or used to refund any pre-paid parking fees. The City is not responsible for any lost or stolen validation. Validation is accepted at the following City-owned parking garages: North Locust Parking Garage (1625 North Locust Street), South Locust Parking Garage (1350 Locust Street), and Broadway Parking Garage (1390 Broadway).
6. The Business Owner may provide parking validation credits to its customers and employees only. The validation scanner is not to be used for personal use.
7. Business Owner may designate a maximum of two (2) additional people to purchase validation on the Business Owner's behalf. It is the Business Owner's responsibility to update the designated personnel when necessary. Only the Business Owner and designated personnel can buy validation.
8. This Application constitutes the entire agreement between the City of Walnut Creek and the Business Owner for Parking Validation Program privileges.
